## Paper Title

Author  
Job Title  
Company Name  
Country

**Industry:** List the industry/industries for this application

**Products Used:**

List all NI products, including versions for software, here on separate lines.

**The Challenge:** {Write your 25- to 50-word challenge statement here.}

**The Solution:** {Write your 25- to 50-word summary of your solution here.}

**Body Text:** {800- 1,200 words}

Application questionnaire

- Describe problems you faced in previous applications.
- Using NI products, can you do things you could not do before?
- Which NI products do you use (hardware and software)?
- How are NI products a part of your application?
- What NI product capabilities are you using in this application?
- How much time, money, or both are you saving with the new application or system? Please be as specific as possible.

{Type your photo or graphic caption underneath each graphic using this Times New Roman font. Embed all graphics. Remember – you must provide individual electronic files for each graphic you include in your paper.

**Include captions for all graphics material.** Place photos in text after first reference – you must include a reference to all graphics in the text. Include screen captures if you use National Instruments software products. Screen captures must have a minimum resolution of 72 dpi at 100 percent. All other graphics must have a minimum resolution of 300 dpi. }

# Graphical System Design Achievement Awards

## Official Rules

### ELIGIBILITY

- Authors must be 18 years of age or older at the time of entry.
- Authors must have made use of an NI product to produce a measurement and automation application, and the abstracts and technical papers describing such uses must be original to the authors.
- This contest is void where prohibited or restricted by law.
- Employees of National Instruments Corporation (“NI”), its subsidiaries and affiliates, advertising agencies, promotional partners, and the relatives and household members of the employees of each are not eligible to enter.

### HOW TO ENTER

- To register, please submit your abstract to [nidays@ni.com](mailto:nidays@ni.com), subject line; “GSD Awards Denmark” before March 28<sup>th</sup>, 2011.
- NI should receive your final materials no later than June 1<sup>st</sup>, 2011.
- Entries will not be maintained in confidence.
- All entries (including abstracts and papers) become the property of NI and will not be returned. NI is not responsible for late, damaged, incomplete, illegible, lost, delayed, or misdirected entries.

### JUDGING CRITERIA

- A panel of NI executives and industry experts will review and judge the technical papers according to the following criteria:
  1. Is the application technically challenging or innovative?
  2. Are the benefits and solution clearly articulated?
  3. Is the solution innovative, timesaving and cost-effective?
  4. Is the solution an excellent example of Virtual Instrumentation or Graphical System Design?
- Judges select one (1) winner from the applicable papers.
- The decisions of the judges are final.

### WINNER

- Winner will be notified by NI at the applicable address listed in the entry.
- Winner will be publicly announced during NIDays 2011

### PRIZES

- All prizes are nontransferable, and no substitutions or cash redemptions will be made.
- Any tax or duty on a prize is the sole responsibility of the applicable winner.

### GENERAL

Odds of winning a prize depend on the number and quality of eligible entries received. By entering or accepting a prize, authors consent to the use of their names (including corporation name), pictures, voices, evaluation data, biographical data, and/or likeness in advertising and promotional materials by NI and its promotional partners, without additional compensation. Authors agree that NI (including its affiliates and advertising agencies) shall not be liable for injury, loss, or damage of any kind resulting from participating in this contest or from the acceptance or use of any prize awarded. Authors warrant that their entries are original, that no false information is given, and that no other person owns or has any rights to any element of the entry including any copyrights in it. Contest rules may change from year to year.

# Right to Publish

To: National Instruments Corporation ("NI")

From: Author's Name: \_\_\_\_\_

Company Name and Title: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone: \_\_\_\_\_ E-mail: \_\_\_\_\_

1. Do you have an **ni.com/community** profile? ☐ Yes ☐ No

If so, what is your alias? \_\_\_\_\_
